Lenovo ThinkPad TopSeller Notebooks

From the Worlds Best Engineers come the Worlds Best Engineered PC's

At Lenovo the world's best engineers make the world's best-engineered PCs. Best-engineered refers to a combination of factors demonstrating Lenovo's tradition of excellence in engineering and product design, including its record of being first to market with key features that have since become industry standards.

R Series- Performance and value for mainstream users

ThinkPad R Series are affordable, lightweight notebooks that now have many of the legendary features of the Lenovo ThinkPad T series
The new ThinkPad R61 14.1" widescreen starts at 5.2 lb. and 1.2" thin. The ThinkPad R61 15.4" widescreen starts at 6.4 lb. and 1.37" (1.39" for the 15" standard model).

Lenovo TopSeller Desktops

Quality choice and affordability for business

ThinkCentre® A Series desktops offer a variety of models to fit your needs. Packed with power and expandability, they offer a great blend of essential features and technology at an affordable price. Provide your business with the latest technology today to keep ahead of tomorrow.

ThinkCentre A55 models include Intel® Core™2 Duo processors (select models) for impressive multitasking capability. These processors provide increased performance, system responsiveness and energy efficiency. And you can choose state-of-the-art technology such as the Intel 946GZ Express chipset- all wrapped up in a toolless design.

© Lenovo 2007. All rights reserved. Eligibility requirements and terms and conditions apply to the programs and incentives referenced. This summary does not change the terms of the Lenovo announcement letters for the programs and incentives. Refer to the program announcement letters for complete details. AVAILABILITY: All offers subject to availability. Lenovo reserves the right to alter product offerings and specifications at any time, without notice. Lenovo is not responsible for photographic or typographic errors. *PRICING: does not include tax, shipping and handling or any recycling fees and is subject to change without notice. Reseller prices may vary. WARRANTY: For a copy of applicable product warranties, write to: Warranty Information, P.O. Box 12195, RTP, NC 27709, Attn: Dept. ZPYA/B676. Lenovo makes no representation or warranty regarding third-party products or services. FOOTNOTES: (1) MOBILE PROCESSORS: Power management reduces processor speed when in battery mode. (2) WIRELESS: 11a, 11b and 11g wireless are based on IEEE 802.11a, 802.11b and 802.11g, respectively. An adapter with 11a/b or 11a/b/g can communicate on either or any of these listed formats respectively; the actual connection will be based on the access point to which it connects. (3) INCLUDED SOFTWARE: may differ from its retail version (if available), and may not include user manuals or all program functionality. License agreements may apply. (4) HARD DISK DRIVE: GB=billion bytes. Accessible capacity is less; up to 4GB is service partition. (5) MEMORY: For PCs without a separate video card, memory supports both system and video. Accessible system memory is up to 64MB less than the amount stated, depending on video mode. (6) LIMITED WARRANTY: Support unrelated to a warranty issue may be subject to additional charges. TRADEMARKS: The following are trademarks of Lenovo: Lenovo, the Lenovo logo, ThinkCentre, ThinkPad and TopSeller. IBM and the IBM logo are registered trademarks of IBM and are used under license.
